## **ZION ANNOUNCEMENTS**

**A FAMILY ROOM** is available for parents with babies and small children where you can watch the live stream of the worship service while comforting a baby or giving a restless toddler a little extra space to move around for part of the worship service. The Family Room is in the west hall of the education wing.

**TODAY WE** celebrate the sacrament of communion together. We invite you to take some time to reflect and prepare your hearts as we come to this beautiful table of grace. In response to God's gift of grace to us, we will give an offering for Zion's benevolence fund after communion. Benevolence funds are used in a variety of ways to come alongside people in our Zion family and in our local community. One of the ways we are able to meet local needs is through CarePortal. Local agencies can post specific needs to the CarePortal technology platform, and we are able to respond as we are able. Recently we were able to purchase cribs for a local mom in need. We are grateful for your continued generosity!

**PRAYER REQUEST:** Continue to pray for those in our congregation who deal with ongoing health issues.

## **ZION KIDS ANNOUNCEMENTS**
